The Bloomer Area Aquatic and Recreation Center would like to encourage you to become a *“Friend of the Pool”*.

The Bloomer Area Aquatic & Recreation Center is an established 5013c company that was setup to build and operate an Aquatic and Recreation Center for Bloomer and the surrounding areas. It is to provide a facility for all ages to come and enjoy through swimming and exercise activities for the betterment of health, fitness and pleasure.

It is a gathering place for all ages and has become a very important part of our Community.

The facility was built and now is maintained by memberships, rents, day passes, classes and donations.

Donations play a very important part of our operation as we continue to provide services at reasonable fee's in order for all ages to be able to financially afford the opportunities and services we provide.

We also operate on a “No one turned away” philosophy to help any customer have the same opportunities.

To help offset expenses we established the “Friend of the Pool” to give individuals and business's the opportunity to make cash donations to the facility that are totally tax deductible and helps a very worthy cause.

For those of you that are members we Thank you for your past support and we look forward to your continued support. For those businesses and individuals that have not yet joined, we hope that you will consider this very worthy cause when you are making annual contributions to causes that you feel deserving.

As stated, the pool being a 501 C3 organization all contributions are totally tax deductible.
Consider an annual donation of \$250.00 or more today.

If you have any questions, please feel free to call 715-568-3483 and talk to Rod, I will be more than happy to answer your questions and to work with you on becoming part of the “Friend of the Pool”.
