Become a "Friend of the Pool"

The "Friends of the Pool" is a group of individuals, businesses and corporate sponsors that are willing to contribute each year to the general operating fund and maintenance of the facility to keep it splashing long into the future.

With the pool being a 501 C3 organization all contributions are totally tax deductible.

In addition you will receive special advertising opportunities inside the facility and on printed materials, along with knowing that you are making a great facility possible for our Community.

We are in hopes that you will consider joining our "Friends of the Pool" group today by making an annual contribution. Our goal is to raise a minimum of \$30,000.00 per year through this group.

As of this date we have \$11,000.00 committed from just 13 individuals and businesses.
